

"The Heart of America" ©

Alas, luxury cars, swanky bars, painful scars, rumors of wars; Mansions atop hills; Hearts that cannot feel what is real; Joyful violence accompanied by deadly thrills; Self-willed; Lying lips slips, while truth is ripped and skipped; the defeat of deceit; The expanding real-estate and landscape of massive hate; Disillusions; Confusions; As well as delusions; An appetite for what's not right; False claims to God's name! Money woes grows as greed takes its toll on America's soul! Humbly, I ask you: "Is America being sold for pure gold, while we scold our young and our old for gold? The tricks, bricks, hicks & deep dark pits, reigns for gain, in our divisive politics! A growing outcry we cannot deny, from the poor and needy, to constrain the greedy; Their cries may we hear without fear, but with favor, as friends, for our neighbors! Hell swells, as truth is mailed to hell, in exchange for conspiracies and fairytales! Hate at its highest peak, Leaves the nation fractured and weak, not pleasantly meek! "STOP!"..."ENOUGH OF THE BAD STUFF!" "ENOUGH!"..."STOP THE ROT!" "STOP THIS PLOT!" More & more rot equates to a lot of rot! "STOP!"...AMERICA, where is our heart? What is tearing us apart? Why do we continue to lie, rather than try to repair the breach of deception's overreach? Kind hearts do not bark, neither, park in the dark! Kind hearts ignites loving sparks to keep evil and wickedness, separate and apart! Are not we the brave? Do not we honor our heroes, even those who lie in the grave? From whence comes the rumbling? Why is democracy tumbling and fumbling? Concerning unity, why is America stumbling? This American's point of view vs. That American's point of view that's vastly different from you? Have you ever heard of a bird named the cockatoo, jumping up & down on the ground like a kangaroo? Nay! Nay! You lie if you say Yea! One is colored so beautifully and majestically with wings to fly, while the other has a pouch from which he can slouch or crouch! Yet neither one complains about the other's color, crouch, nature or name. Neither thinks he's better because he has more colorful feathers or he can run faster with feet while slower creatures he can easily defeat. Yet one man assumes himself to be better than another. His claims are "I have a better sister, brother, father and mother! O the disdain of shame! When we elevate hate, and cast blame foolishly on another's name, we only elevate our shame. Moral clarity should never be a rarity! High pride Lied! You are not better than any other according to your bank account, Because the Last time I checked, no disrespect, God said: "Every man's humanity counts in equal amounts! No man is too high to dies! Again, humbly, please may I say: "STOP THE ROT FROM THE BOTTOM TO THE TOP!" "STOP THE SINISTER PLOTS IN INCREASING ALL ROT! Americans who truly, and sincerely, and honestly, for their nation do care, will also share and their neighbors' burdens bear! We should never allow love to become rare! May every American stand hand-in-hand, and man-to-man against any and all forms of corruption without interruptions! "STAND ON!" "STAND STRONG!" "KEEP DEFENDING THE LAND WE CALL HOME!" ONLY GOD ALONE, IS WORTHY OF A THRONE! LET OUR MORALITY BE AMPLIFIED, UNIFIED, AND DIGNIFIED AGAINST ALL LIES! YOU ARE LOVED BY GOD ABOVE, AND BY ME, RESPECTFULLY, AND VERY HUMBLY! RENEE, ALEX, & GEORGE TOO, WE WILL ALWAYS REMEMBER YOU! YOU ARE THE FEW! GOD BLESS YOU & AMERICA TOO FOR ANSWERING THE CALL TO STAND TALL! AMEN & AMEN!
